Calling party wanted to report a well-being check on a Facebook friend. Caller advised he has already spoken with State Police & Marshfield Police about involved. Caller stated that male involved who is in his early 20's and seemed impaired.

Caller only knows that involved is from Boston and isn't sure what town he maybe in, but believes it is a town that begins with "M".

Information obtained and Marshfield PD was contacted and they report that they do not have a history with male. State Police could not ping phone due to it being a possible pre-paid phone. Involved has no license on record and the only "record" of male is a vague Facebook account (which prides Boston Mass as residency).

Caller advised he should speak with Weymouth Police to pursue matter further. Marshfield suggested calling every town that begins with "M".
